

# RISK CONSULTING

Enhance and proactively manage your student-athlete injuries on a case-by-case basis.

In Partnership with  FAIRLY GROUP  OCCUNET

Fairly Group has developed and executed their unique approaches to reducing the cost of risk with their core sports clients and continues to refine their model every day, seeking even greater savings. Their proven results have allowed them to partner with some of the most iconic names in the sports world.

A-G Administrators is partnering with the Fairly Group—a risk management firm which counts the NFL and Major League Baseball as clients—and OccuNet—a provider of client-specific workflows and solutions that maximize results by leveraging a wide array of cost containment services. Together, we will provide risk management solutions which allows the institution to enhance and proactively manage student-athletes injuries on a case-by-case basis with one point of contact.

## SERVICES INCLUDE:

- Customize a network of providers specific to the need of the school.
- Evaluate provider usage.
- Negotiate reduced medical fee agreements.
- Serve as the communication point for providers.
- Facilitate all referrals.
- Conduct regularly scheduled claim reviews and advise on claim related issues with the goal of containing costs and facilitating world class medical care.
- Oversee and provide electronic reports.
